Applicant, pursuant to KRS 342.610(5), hereby declares exemption from the requirement to obtain worker's compensation insurance coverage as set forth in KRS 342.340. In support of this claim to exemption, applicant states that the following facts are true and correct:

CONTRACT REQUIREMENTS (Refer to Ord. Sec. 5-88 (c) and 5-95 for more detailed contract information)

I certify, by my signature on this application, that all contracts for work or services exceeding \$1500 will be in writing and include, at a minimum, the following:

- Entire agreement between the owner and the registered contractor
- Names and addresses of all parties
- Date when executed by the parties
- Full and complete description of the work to be performed and/or the goods or services to be furnished
- Terms of the payment
- Anticipated date by which performance is to begin, and the anticipated date performance is to be completed
- The process the property owner may follow for resolution of disputes with the registered contractor, including the identification of matters, which shall be subject to dispute resolution, identification of the entity which will hear such disputes, and any costs associated with the dispute resolution process
- Statement by the registered contractor that all work will be performed in accordance with applicable federal, state and local codes and regulations
- A statement as to whether any of the work is covered by a warranty and, if so, a description of said warranty

NOTE: The foregoing items are not intended to be an exhaustive list of contract terms, and other provisions may be necessary and/or desirable for legal purposes. It is the responsibility of the contractor to prepare the contract and include any necessary clauses.
